

The Bethel History Project

The story of Bethel AME is a collection of the stories of thousands of members who have called it home. We have a rich and diverse history, and the Bethel History Project is an opportunity for us to share our story in oral and written form.

Bethel AME Church is collaborating with Publishing Concepts, Inc. (PCI), to create an oral and written history of Bethel AME Church that will record our shared connections. Beginning in the next 90 days, we will be inviting our current and former members to share their Bethel stories for a book that will

preserve the rich history of our beloved church, as told by those who have lived it. Don't miss this opportunity to tell your Bethel AME story, capture memories, and to celebrate our rich history.

The collection of stories will be available for purchase from PCI. While there is a fee to purchase the printed book, you do not need to purchase the book to contribute your story.

Use the link or QR code below to update or provide your contact information to ensure you are included in the Bethel History Project.
