Greetings from the Pastor

Greetings,

Welcome to the 2022 Homecoming Revival and Celebration of Bethel African Methodist Episcopal Church (Baltimore, MD). We are so excited about this wonderful opportunity to meet, reconnect, worship, and fellowship with all of the amazing sons and daughters of Bethel. In the grand scheme of things, we are newer to Bethel and the city of Baltimore. Yet, these six years have made Bethel a home for us too. It is our prayer that this week of praise, remembering, and rejoicing will ignite a new spark of determination, courage, power, and vision within you. May this new ignition be the catalyst for a revival wherever you reside.

The theme for Homecoming 2022 is Growing Home, based on Genesis 28:15. God tells Jacob, "I will bring you back home and will not leave until I have done everything that I have promised you." The main promise was growth. God would grow Jacob back home. Bethel Nation, past and present, God is growing us home. This week we will see miracles, signs, and wonders as we see God growing us for God's glory.

To help us celebrate this growth, we have invited dynamic preachers who were birthed in Bethel's soil. Our revivalists are: Rev. Dr. Rodrecus Johnson, Jr., Rev. Dr. Ann Lightner-Fuller, and Rev. Dr. Jamal H. Bryant. Our Homecoming Sunday preacher will be Bishop John R. Bryant. Other sons and daughters will participate in the services and we are thrilled to have them with us. A special thank you to the Homecoming Co-Chairpersons (Betty Clark, Carla Henry Hopkins and Ed Harrison) and Committees, as well as Bethel's Staff, Officers, Ministers, and Volunteers, for leading the effort of welcoming our family home.

Please join us in giving our God the highest praise!
Let's grow home!

In the Grip of His grace,

Rev. Patrick D. Clayborn, Ph.D., Pastor
Rev. Sheri D. Smith Clayborn, First Lady
